Why use Tri Pillar?

Tri Pillar is a well organized company with a level 3 BEE accreditation level.

Tri Pillar has the necessary resources and experience to deliver health and safety solutions to many work environments.

Tri Pillar Safety has extensive operational military experience within its management, serving with the British Forces in various theatres including Iraq, Afghanistan and throughout Europe and North America. We manage our guard force and uphold company ethos with the same military precision. This solid management structure together with a professional guard force is what exclaims our commitment to businesses and organisations.
